MEMORANDUM FOR: Chief, Plans Section, OPS/DPD

SUBJECT: Map Card Destructor

REFERENCE: Memorandum from COPS to OPS/RS;
dated 15 September 1960; subject:
Destructor Device for Pilot's Maps
and Navigation Card (DPD 6687-60)

1. Some months ago we ordered several map card destructor units for use in the U-2. I can't recall whether these were actually received and further if they were to what detachments and in what numbers they were sent.

2. Would you check on this and let me know the status and if they have been received in the detachments what views the detachments have as to the feasibility of their use in the U-2.
